Gary’s version attempts to duplicate most of the historic run with changes to accommodate road changes and decaying infrastructure. The run starts at Bowman’s Hill Wildflower Preserve just south of New Hope, PA. The route will tour 7 of the covered bridges while snaking through scenic Bucks County. The run will end in Quakertown just a few miles from route 309 or I-476 (the Pennsylvania Turnpike Extension).</p> <p>E-mail Gary at <a href="mailto:garydiillio@comcast.net">garydiillio@comcast.net</a> to notify us of your intent to participate in this run and the lunch by September 8. You can also call him at 610-583-8307 with any questions you might have.</p>

SUN Oct 10	Moderate to Challenging	<p style="text-align: center;"><u><a href="#">Valley Forge Park to Sly Fox Brewery</a></u> <u><a href="#">Damon and Michele Kane</a></u></p> <p>Join us for this fun run last enjoyed in 2007. This run starts with a leisurely and very scenic drive through Valley Forge National Park and then wanders east into Chester County. Although at the beginning of the run we are within minutes of some of the busiest parts of the Metro Philadelphia area, this run keeps us to minor roads that twist around creeks and over small bridges. We head north and west running along the northern ridges between Chester and Berks County. We will take a short stop at the French Creek State Park and then begin to loop</p>	

		<p>back south and east. We pass through the historic town of Chester Springs on our way to our final stop at the Sly Fox Brewery just outside of Phoenixville for a good selection of microbrews and pub grub. The Ales are to die for (if you like that sort of beer) and the food is very good.</p> <p>So we can plan, please send a confirming email stating your interest in the Valley Forge National Park to Sly Fox Brewery Run to <a href="mailto:drkane4@verizon.net">drkane4@verizon.net</a> or call 215-699-6201.</p>
