For the past several years he has also developed a weekend run that creates an overdose of spectacular PA area driving and fine dining. As fate would have it Damon learned in 2011 that he has ALS and now must focus his energy on his health. He has been the recipient of assistance from the Greater Philadelphia ALS Society and now it is our chance to repay Damon for the miles and days of fun by raising funds in his name to support the good work of the ALS Society.</p> <p>We will be hosting a run, a version of the Del Val Classic Bucks County Covered Bridges Run. Starting in the Ottsville, PA area following a route to explore most of the covered bridges in Bucks County on our way to a traditional picnic lunch at the Willow Grove Day Camp in Willow Grove, PA. Our club will be joined by three other clubs that Damon and Michele participated with - PhillyMini Club, Delaware Valley Fiat Lancia Unlimited, and Lehigh Valley Miata Owner's Club. It should make for spectacular sites to see packs of sports cars cruising through the country side on a midsummer day.</p> <p>More details will be posted here as they become available but mark your calendar now to join in this day of fun and tribute to a fellow car enthusiast.
