

Octorara Creek Run

By Damon & Michele Kane

Damon and Michele Kane are pleased to introduce this new run. It will start in East Norriton and then exploit the small roads of Chester and Lancaster Counties. We will run to the west and a bit to the south though historic St. Matthews, then pick our way south past Marsh Creek State Park, and further southwest onto Parkesburg. We continue to head south and west to the Octorara Creek, the namesake of this run. The ending spot for this run is at Harry's in Sadsburysville.

We will meet at the East Norriton Wawa at the intersections of Germantown Pike and Whitehall Road.
